

ABOUT US:

Strata Community Australia WA (SCA WA) is the peak association supporting the strata sector. SCA WA represents over 380 member companies and individuals, who are involved in managing strata schemes, living in strata communities, or provide services to them.

SCA WA is about bringing together professionals who understand all about the complex laws that govern strata/survey/strata property, with the people who live, and work in Strata Communities. It also provides education, advice, and advocacy to enable greater understanding of the legislative environment and individuals' rights and obligations.

MEMBERSHIP

Membership of Strata Community Australia WA is open to anyone with an interest in strata schemes, including Strata Managers and their staff, Real Estate Agents, service providers to the strata industry, Accountants, Lawyers, Surveyors and not the least, Lot Owners in Strata Schemes.

MEMBERSHIP CATEGORY:

Strata Company Member - (Via its Council).

Membership is held by an owner authorised to represent the Strata Scheme.

Owner Member

Membership is held by a 'Lot Owner'

SCA WA has introduced membership for Lot Owners to assist with navigating the complex area that is strata titles. Lot Owners and members of Body Corporate committees also known as '**Council of Owners**' may face significant challenges when learning about the many aspects of residing in, and managing, properties that fall within a Strata titles scheme.
