Dear Resident,

**Re: Parking Permit
The Mews, 147 Charles Street, West Perth Strata Plan - 5629**

Permit parking in the Ivy Street visitor parking area comes into effect on August 1st 2013, and as such all vehicles parked in this area must have a valid permit displayed at all times to avoid a fine or being clamped/towed.

Permits will be mailed out via registered post this week. If you are an owner/occupier you will receive your permit via registered post to this address. If you are a tenant the permit will be mailed to your property manager or owner depending on who is listed as the contact for mail.

If you have not received your parking permit by August 1st and are a tenant please speak to your property manager or landlord.

Alternatively if you are an owner/occupier please email manager@themewswestperth.com.au or call Exclusive Strata Management.

Please make sure you are aware of parking terms and conditions. These are available on parking signs, or on the website.
