

Charles Street Roadworks Update

Night work and temporary Carr Street closure

20 to 25 February 2017

Night works

Night work is required over **six nights**, from 20 to 25 February. The works planned include:

- **20-24 February** – boring under the road surface at Newcastle Street/Charles Street intersection for signals' upgrade.
- **20 & 21 February** – barrier fencing demolition along the Charles Street exit from Mitchell Freeway. Residents may hear machinery including a concrete saw and excavator.
- **22 February** – new asphalt on Charles Street southbound lanes, between Newcastle Street and Carr Street.
- **23 February** – new asphalt on Charles Street northbound lanes between Carr Street and Janet Street.
- **24 & 25 February** – new asphalt at Carr Street/Charles Street intersection (all lanes).

Night work hours will be from 8pm to 7am.

*Residents may experience noise, particularly between 22-25 February, when heavy machinery is used to cut, grind and remove the old road surface.

We will endeavour to minimise noise and vibration as much as possible and will be working within the limits of the project's noise and vibration management plan.

If you have concerns regarding noise levels during the works, please call our Project Engineer Mark McVeigh (0457 336 835).

Traffic impacts

Newcastle Street intersection: reduced to one lane in all directions 20 & 21 February.

Carr Street: will be closed 24 & 25 February at the intersection with Charles Street and between Florence Street and Fitzgerald Street. Please use detours on the map overleaf, which diverts traffic to Bulwer and Vincent Streets.

Access to properties on Carr Street will be maintained at all times.

Charles Street: Traffic exiting the Mitchell Freeway will be encouraged to use Newcastle and Fitzgerald Streets.

Information on specific traffic impacts is kept up to date on the project website at:

<https://www.mainroads.wa.gov.au/BuildingRoads/Projects/UrbanProjects/Pages/charlesbusbridge.aspx>

Future notifications

To receive updates about the project please email charlesstbusbridge@mainroads.wa.gov.au and provide your name, email address and contact number.

To receive real-time traffic updates please like Main Roads on Facebook or follow Main Roads on Twitter at [Perth_traffic](#).

If you have any questions and would like to talk to someone about the project, please call Main Roads on 138 138. **Please note:** Any changes to schedule will be communicated as soon as possible.
