Dear Customer

Subject: Certificate of Exemption for UNIT 1-54 / 147-159 CHARLES ST WEST PERTH LOT 100

Exemptions from 1 October to 31 March are for 42 days and from 1 April to 30 September are for 35 days and apply from the date the lawn and/or garden was completed.

Following your request, a temporary watering exemption for a new front garden has been granted and will expire on 13/06/2017.

If an infringement has been issued prior to the granting of this exemption, the infringement will stand.

Please read through the exemption conditions below and be sure to comply with these at all times. If you don't comply with the conditions an infringement notice will be issued. The penalty is up to \$500.

**Exemption Conditions:**

- Your normal watering roster will apply immediately after the exemption expires. Please remember to adjust your irrigation settings to the sprinkler roster for your allocated watering days and times at the end of your exemption.
- Sprinklers can be used to water a new lawn and/or garden up to three times per day, during the exemption period. Please visit [www.watercorporation.com.au/exemptions](http://www.watercorporation.com.au/exemptions) for more information on recommended watering times.
- This exemption applies to scheme water supplied by Water Corporation or garden bore water to establish your new lawn and/or garden.

**Increased water use:**

Due to watering your garden more frequently there will be a significant increase in your water use during the exemption period, please be aware that this will result in a higher than usual water bill.
